

✨ Allah Loves Cleanliness!

A fresh and healthy lesson for little hearts

Allah loves when we are clean.

After using the bathroom, we should clean ourselves properly and wash our hands. This keeps our bodies fresh, healthy, and happy. 😊

Our Prophet ﷺ taught us that cleanliness is very important. He said:

"Cleanliness is from faith."

☀️ Why Being Clean Is Good

- ✨ Our body stays healthy
- ✨ Our clothes stay clean
- ✨ Our home smells nice 🌸
- ✨ Our hands are fresh and clean
- ✨ Germs go away 🦠❌
- ✨ Allah is pleased with us 🧡

💧 Wash, Wash, Wash! 🧼

After the bathroom, we must wash our hands with **Water** 💧 and **Soap** 🧼.

Hands touch many things, and sometimes there are tiny germs we cannot see. So we wash them well to stay strong and healthy!
