

Adab 3

Good Manners When Entering the Bathroom

Clean, quiet, and full of Sunnah

Sunnah!

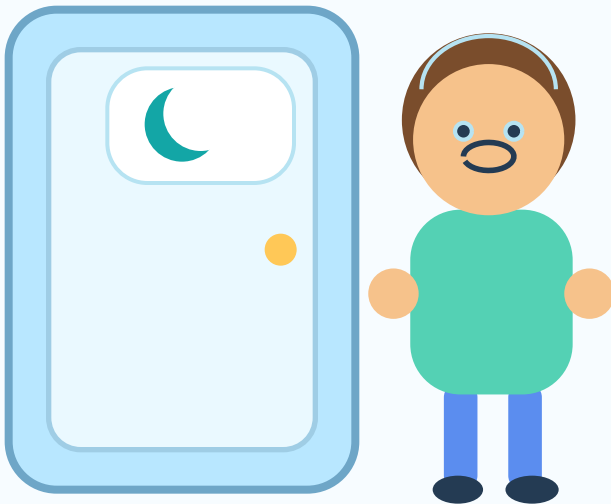

A gentle Islamic lesson for ages 3-5

Before You Go Inside

Sometimes we need to go to the bathroom. Islam teaches us good manners everywhere - even when we use the bathroom! Before entering, we remember Allah and ask Him to keep us safe.

Remember

Say first:
Bismillah

Dua Before Entering

A Beautiful Dua

اللهم إني أعوذ بك من الخبث والخبائث

Allahumma inni a'udhu bika min al-khubthi wal-khaba'ith

O Allah, protect me from bad and harmful things.

We say this quietly before going inside. Allah hears us and protects us.

Good Bathroom Manners

When going into the bathroom:

- 1 Step in with your left foot
- 2 Do not talk inside
- 3 Be quiet and respectful

Quiet

When You Leave

When leaving the bathroom:

- 1 Step out with your right foot
- 2 Say: Ghufuranak

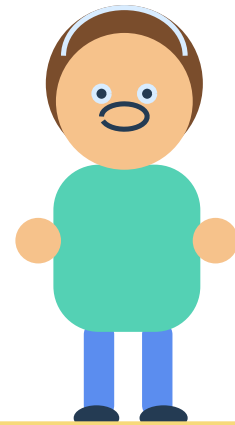

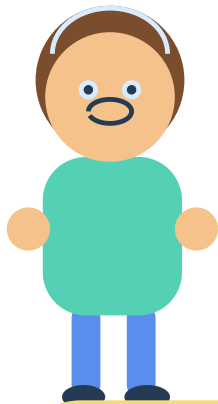

A Beautiful Dua

غفرانك

Ghufuranak

I ask Allah to forgive me.

A Little Story

Little Mohamed needed to go to the bathroom. Before entering, he said, 'Bismillah.' Then he made the dua his father taught him.

When he finished, he came out with his right foot and said, 'Ghufranak.'

His father smiled and said, 'MashaAllah! You remembered the Sunnah!' Mohamed smiled happily.

Let's Practice!

Before entering:

- 1 Say Bismillah
- 2 Say the dua
- 3 Step in with the left foot

When leaving:

- 1 Step out with the right foot
- 2 Say Ghufuranak

Great job!

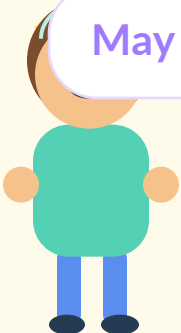

Remember

Islam teaches us beautiful manners

We remember Allah before we enter. We stay quiet and respectful. We follow the Sunnah of Prophet Muhammad (peace be upon him) with love.

Small adab can bring big rewards!

May Allah help us remember good manners. Ameen.
