

Adab 8

After Wudu

A happy Islamic lesson for little hearts

**Say the dua, pray if you can,
and stay close to Allah.**

After You Make Wudu

When you finish wudu, do not rush away!

Take a tiny moment to remember Allah.

Say this beautiful dua:

**Ashhadu an laa ilaaha illa Allah,
wa ashhadu anna Muhammadan
'abduhu wa rasooluh.**

What Does It Mean?

The dua means:

**I believe there is no god but Allah,
and Muhammad is His Messenger.**

One Allah

We worship Allah
only.

A Messenger

We follow the Prophet,
peace be upon him.

**Little heart says: I remember
Allah after wudu!**

Extra Sunnah

If you can, pray 2 raka'ah after wudu.

This is a Sunnah of the Prophet, peace be upon him.

**Sunnah means a beautiful way
taught by our Prophet.**

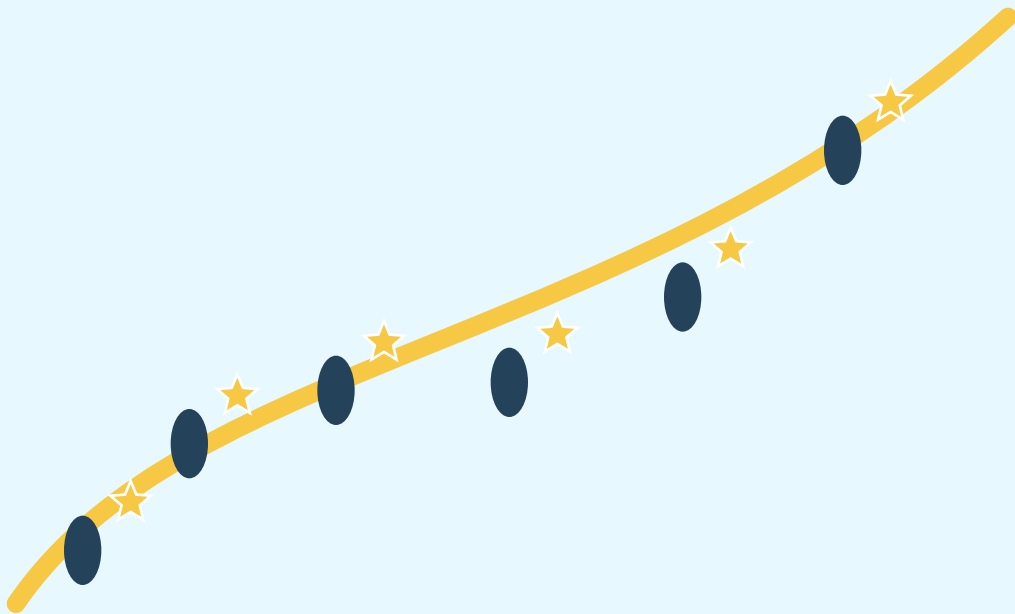

We follow it because we love Allah and His
Messenger.

A Special Story

The Prophet, peace be upon him, once told Bilal:

"I heard your footsteps in Jannah."

He asked what good deed Bilal loved to do.

**Bilal said: Every time I make wudu, I pray
2 raka'ah.**

SubhanAllah!

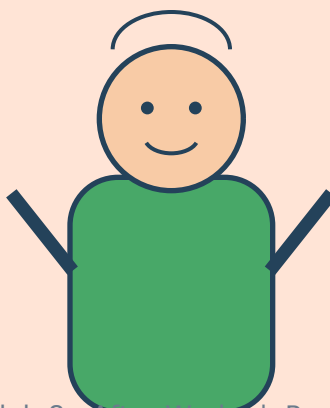

Bilal was rewarded by Allah.

Good deeds can be small, but Allah makes them big!

After wudu, my heart can say:

**"Thank You, Allah, for
keeping me clean."**

Let's Practice

After wudu:

Smile, remember Allah, and get ready to pray.

My After-Wudu Promise

**I will remember Allah after wudu.
I will pray 2 raka'ah when I can.**

Ready and close to Allah!
