

Al-Khāliq — الْخَالِقُ ☁️

Allah Made the Sky and Earth

Why You Are Learning This

When you look up at the sky, you see something big and beautiful.

When you walk on the earth, you feel Allah's care around you. 🌿

This lesson helps you notice Allah's creation. It helps you know:

- Allah made the sky.
- Allah made the earth.
- Allah made everything with care.

Name of Allah

Al-Khāliq

Allah is the Creator.

Allah made the sky. Allah made the earth. 🌍

Allah made the sun ☀️, moon 🌙, stars ★, trees 🌳, flowers 🌸, animals 🐦, and people 👤.

Everything Allah made has beauty. Everything Allah made has a purpose.

Qur'an Anchor

اللَّهُ خَالِقُ كُلِّ شَيْءٍ

Allāhu Khāliqū kullī shay'

Allah is the Creator of everything.

- Allah made everything.
- Allah made what we see.
- Allah made what we do not see.
- Allah is the best Creator.

Hadith Anchor

The Prophet ﷺ taught us to look at Allah's blessings and be thankful. 🙏

When we see the sky and earth, we remember Allah. 🌍

When we remember Allah, our hearts feel thankful. 💖

Story Time

Human Story

A child went outside with the class.

The child looked up and saw the blue sky ☁️. The child looked down and saw green grass 🌿.

The child saw birds flying 🐦. The child saw flowers growing 🌺.

The teacher smiled and asked: *"Who made all of this?"*

The child answered: **"Allah made it."**

The teacher said: *"Yes. Allah is Al-Khāliq. Allah made the sky and earth."*

The child felt happy and thankful. 😊

Islamic Story

The Prophet ﷺ loved to remember Allah. ✨

He looked at Allah's signs in creation.

The sky, the earth, the sun, the moon, and the stars all remind us of Allah. 🌌

A believer looks at creation and says:

"SubhanAllah." 💛

❌ What This Lesson Is NOT Saying

- You must know everything about the sky
- You must understand everything about the earth
- You must have all the answers

✅ What This Lesson IS Saying

- Allah made everything beautifully
- We can notice Allah's creation
- We can thank Allah for the world around us

Calm Reflection

Look up at the sky ☁️. Take one slow breath. Now say softly:

"Allah made the sky."

Look at the ground 🌿. Take one slow breath. Now say softly:

"Allah made the earth."

Effort Check

Today, did you try to:

- look at the sky?
- notice something Allah made?
- say SubhanAllah?
- take care of the earth?
- thank Allah?

That is a good effort. ☀️

Closing Du'ā'

اللَّهُمَّ اجْعَلْنِي شَاكِرًا لِحَلْقِكَ الْجَمِيلِ

Allāhumma ij'alnī shākiran li-khalqika al-jamīl

"O Allah, make me thankful for Your beautiful creation."

Carry This With You

Allah made the sky and earth, and I can thank Him every day. 🌍☁️
