

LESSON 2

الْخَالِق
Al-Khaliq

Allah Made Me

A gentle lesson about Allah, the
Creator.

For little hearts ages 3-5

Allah is Al-Khaliq - The Creator

Why You Are Learning This

Sometimes we wonder: Who made me?

This lesson helps you know that Allah made you with care.

Allah made your eyes, hands, heart, smile, and voice.

You are special because Allah created you.

Name of Allah

الْخَالِق

Al-Khaliq

Al-Khaliq means: The Creator.

Allah made everything.

Allah made the sky, the trees, the animals,
and me.

Allah creates with wisdom and care.

Quran Anchor

اللَّهُ خَالِقُ كُلِّ شَيْءٍ

Allahu khaliq kulli shay.

Allah is the Creator of all things.

Everything around us reminds us of Allah.

The sun, the rain, the flowers, and our bodies are from Allah.

Prophetic Teaching

The Prophet ﷺ taught us to remember Allah and thank Him.

When we look at ourselves and the world,
we can say:

SubhanAllah! Allah made everything
beautifully.

A thankful heart is a happy heart.

Human Story

A child looked at their hands.

The teacher asked: Who made your hands?

The child smiled and said: Allah made me!

Then the child looked at the sky and flowers
and said: Allah made these too!

The child felt loved and thankful.

Islamic Story

Allah created Adam عليه السلام.

Allah made every person special.

Allah gave each child a body, a heart, and many blessings.

When we remember Al-Khaliq, we remember that we belong to Allah.

What This Lesson Is NOT Saying

This lesson is not saying:

You must look like everyone else.

You must be perfect.

Only big things matter.

This lesson is saying:

Allah made you special.

Allah made you with care.

Your body is an amanah from Allah.

Calm Reflection

Put your hands on your heart.

Take one slow breath.

Now say softly:

Allah made me.

Allah made me with care.

Alhamdulillah.

Effort Check

Today, did you try to:

Thank Allah for your body?

Use safe hands?

Speak with a gentle voice?

Notice something Allah made?

That is a good effort.

Closing Dua

اللَّهُمَّ اجْعَلْنِي شَاكِرًا لِمَا خَلَقْتَ

Allahumma ijalni shakiran lima khalaqt.

O Allah, make me thankful for what You created.

Ameen.

Carry This With You

Allah made me.

Allah made me with care.

I can thank Allah every day.
